

Niall Martin CV

Home Address: Mullantlavan, Magheraclaone, Carrickmacross, Co. Monaghan
Phone: 087 9867024 **Email:** business@niallmartin.com

Personal Profile

Currently a final year undergraduate student in NUI Galway studying Computer Science & Information Technology. Have experience the C# Java, C, JavaScript, SQL, and HTML programming languages. Am currently looking for work in the technology sector.

Education

Sept 2012 - Present: Bachelor of Science (Computer Science and Information Technology), National University of Ireland, Galway

- Final Year Christmas Results: 3 As(70+%), 2 Bs(60-70%), 1 C(50-60%). Will have all exact results in June 2016, expecting at least a 2nd class honours grade 1.
- 3rd year result: 2nd class honours grade 2
- 2nd year result: 2nd class honours grade 1
- 1st year result: 2nd class honours grade 1

Completed Projects

- A fully featured Athletics Management web application. Developed using ASP.NET MVC and Entity Framework. Includes the following features:
 - Simple performance data logging saved to an external Microsoft SQL database.
 - Trend analysis of athletes' performance throughout the year
 - Generation of set performance goals determined by the athlete's existing results
 - Comparison of athletes' key performance data for squad selection
- Java RMI based Exam System. Project consisted of a client-server model where a student (client) could download an assessment object from the server, complete the assessment and then upload is back to the server for correction.
- Information Retrieval System. Developed an Information Retrieval System written in C# from scratch. Given a query, it computes the Cosine Similarity between the query and a number of documents, and returns a ranked list of all relevant documents relating to that query using a modern weighting scheme (TFIDF).
- A fully functioning instant Chat messaging server with register/ login functionality, as well as the ability to privately message other users. (created for a group assignment using Node.js and HTML)
- A fully functioning Space Invaders game (created using Java). Included rounds and saved high score.

Sept 2006 - June 2012: Leaving Certificate, Patrician High School, Carrickmacross, Co. Monaghan

- Achieved 485 points (Including 25 bonus points for Higher level maths with the following

grades: Mathematics(Higher): B1 English(Higher): B3 Physics(Higher): B2 Geography(Higher): B3 Biology(Higher): B1 French(Higher): C3 Irish(Ordinary): A2

Employment History

April 2015 – September 2015, Intern Software Engineer, Storm Technology Ltd.

- Was a member of a team developing an internal work management system. Developed using C#, was an ASP.NET MVC application to give complete project and resource breakdowns.
- Tester for the new Bus Éireann website booking system. Now released at <http://www.buseireann.ie/>

June 2014 - September 2014, Human Resources Member, Monaghan Mushrooms Group

- Helped in launch of new TMS(Time Management System) on UK Monaghan Mushrooms sites.
- Organised interviews for long term sick employees. - Assisted in facilitating requests from claim solicitors for employees filing claims

May 2013 - September 2013, Human Resources Member, Monaghan Mushrooms Group

- Assisted in, and later was administrator for employee fingerprint scanning system (Adding new employees, removing past employees, etc.)
- Took part in employee recruitment process (replying to applications, setting up interviews, etc.) - Assisted in the employee salary payment process (sending out cheques, added banking details for new employees)
- Completely reorganised the department file room.

June 2012 - September 2012, Information Technology Worker, Monaghan Mushrooms Group Duties:

- Implemented new Asset tagging and management system throughout various Monaghan Mushrooms sites.
- Helped introduce and implement new system that distributed employee payslips via email. (worked in collaboration with HR department and other members in IT)
- Administered general IT support to Monaghan Mushrooms employees.

Skills Profile & Personal Endeavours

- Have experience in the C# Java, JavaScript, HTML, C, and SQL programming languages. I have used these to good effect in a number of academic and personal projects (some of which were mentioned earlier). I am also constantly looking at new technologies to learn and implement.
- Have developed a personal website at niallmartin.com.
- Have gained proficiency in my communication skills, though my work in Software engineering, IT support and Human resources.
- Have lived and worked on a sheep farm for my entire life, and am no stranger to manual labour.
- Hold a full driving license.
- Hold two all-Ireland U18 interzone winners medals in indoor bowls, as well as qualifying for the All-Ireland open singles tournament in 2014, and playing in the World masters in 2013 and 2014.

Interests & Hobbies

- Gaelic football - Played on various underage teams with my local club (Magheracloone GFC) and would still follow their progress closely. Am also an avid fan of the Monaghan team.
- Indoor bowls - Play with my local club Magheracloone, and compete in many open tournaments.
